## **Nordstrom Scholarship Program**

Nordstrom is committed to celebrating our communities, and we think helping you achieve your dreams of a higher education is a great way to start. The Nordstrom Scholarship is about enabling you to achieve your educational goals.

Since 1993, Nordstrom has awarded college scholarships to hard-working high school students from across the country. Annually, we award 40 scholarships of \$10,000. These scholarships are paid out in equal installments of \$2,500 over four years to the college of the student's choice.

### How to Qualify

To be considered for a scholarship, you must meet the following criteria:

- Be a high school junior

- Have and maintain a cumulative unweighted GPA of at least 2.7 (on a 4.0 scale) throughout your high school career
- Have participated in community/volunteer activities
- Be planning to apply for financial assistance to attend college
- Attend an accredited four-year college or university during all years for which the scholarship is awarded
- Maintain a cumulative unweighted GPA of at least 2.7 (on a 4.0 scale) throughout your college career
- Be eligible to attend a four-year college or university in the United States
- Live and attend school in one of the participating geographic areas (below) designated by Nordstrom
- Not have a conviction for any crime

#### How the Scholarship Is Awarded

Regional selection committees, made up of local community leaders, interview our scholarship finalists in person. Once the recipients are selected, Nordstrom makes a surprise visit to the students' school where, with their friends and family watching, the students are informed that they have won a Nordstrom scholarship.

#### How to Apply

Nordstrom's scholarship program is available in eight states across the country where we have stores. Click on the appropriate application below for your geographic area. #### **HP Scholars Program**

The HP Scholar Award is a scholarship opportunity for students interested in engineering. The total value of the four-year cash scholarship, HP Scholar Productivity Package and the three paid internships will exceed \$40,000 per student. Scholarship awards are \$12,000 (\$3000 per year for four years) and are intended to help defray educational expenses. Upon acceptance into the program, each HP Scholar receives a Productivity Package which includes an HP laptop, printer, and PDA. The most valuable part of the HP

Scholar experience is the internship opportunity. HP Scholars are eligible for three paid summer internships with HP at one of our US locations during the course of their undergraduate work.

The HP Scholar program offers scholarship opportunities to underrepresented minority (African American, Latino, or American Indian) students who will pursue a bachelor of science degree in computer science, computer engineering or electrical engineering at an HP Scholar partnership university. High school seniors and community college transfer that are preparing to attend one of our partnership universities are invited to apply for this scholarship prior to enrollment at the university.

Who can apply?

**African American**, Latino, and American Indian high school seniors or community college transfer students who will be attending one of the HP Scholar partnership universities (University of California, Los Angeles, North Carolina A&T, Morgan State University, or University of Washington) and will be majoring in computer science, computer engineering or electrical engineering.
